About Us

ABOUT US :

We Industrial & Electrical Control Systems Center (INDECO), is a Saudi Company since 1992, more than 25 years of experience in carrying out different activities in the field of electrical engineering. We started as a material supplier for panel builders throughout the years we became very dedicated to supporting OEM business with most of the low voltage & control accessories products for wholesale & retail. We represent many local and international brands from all over the world and have exclusive distribution for most of them. After a decade of continuous and successful operation, we expanded to cover in three main regions located in three major cities of the Kingdom, Riyadh- Head Office, Al-Khobar & Jeddah.

MISSION :

INDECO is dedicated to utilizing all the resources and efforts to fulfill all the requirements of our valuable customers. We strive to achieve reliability through continuous improvement in the quality of our products, delivery & services.

VISION :

Our goal is to deliver the highest level of commitment and excellence in our work standards, ethics by providing world-class products and services with the most reliable and certified products.
